

Professional Science Master's Sixth Biennial Meeting

"PSM: Advancing the Nation's Competitiveness and Innovation Agenda"

Financial Models for Program Sustainability

Funding for PSM Programs

Internal Funding Solutions

- Direct budget line item from the university (OSU)
- Tuition revenues returned to program (UConn PSM keeps 80% of tuition for each student)
- "Executive tuition" charged to students, program keeps fraction (Ga Tech, CSU)
- Special fees charged to support "plus" components (Michigan State, WPI)
- Joint program with other institution (CSU Fullerton, LA, Pomona)
- Federal grant support, FIPSE
- Endowments
- Employer support (for projects...)

Speakers

- *David Chapman*-University of Utah, *Seven Years and Thriving: A Sustainable PSM Program at the University of Utah*
- *Jung Choi*-Georgia Institute of Technology, *A Differential Tuition Model for Professional Science Masters Programs*
